* ITEM-107: (R-90-1018) ADOPTED AS RESOLUTION R-274979

Authorizing the City Manager to accept a \$5,000 grant from the County of San Diego Cable Television Review Commission to produce and distribute a video documentary designed to reach and motivate non-literate adults to seek free tutoring assistance from READ/San Diego, the Library's adult literacy program; authorizing the City Manager or his representative to perform all acts necessary to secure and administer the funds.

CITY MANAGER SUPPORTING INFORMATION: On November 23, 1989, the San Diego Public Library was notified that READ/San Diego, the Library's Adult Literacy Program, had been selected as a recipient of a \$5,000 grant from the 1989/1990 Cable Television Grant Award Program. The grant funds will be used to produce a documentary/promotional video to educate the public on the language experience approach to teaching reading. The tape will encourage the non-literate viewer to seek help and recruit individuals to become volunteer tutors. The project director will be Margaret Nunez, a certified community producer. The video will be distributed to local cable companies for airing, to public libraries for general circulation and to county-wide volunteer tutor training programs.

* ITEM-110: (R-90-1020) ADOPTED AS RESOLUTION R-274982

Authorizing the execution of a Joint Use Agreement, Document No. 15169 with the State Department of Transportation (CalTrans), for the relocation of the sewer facilities to accommodate freeway construction on Road 11-SD-5/54 between "E" Street in Chula Vista and 24th Street in National City.

CITY MANAGER SUPPORTING INFORMATION: In 1971, a portion of the 90-inch Metro Sewer Main was relocated within the State's right-of-way to accommodate major freeway improvements

constructed along the I-5 Corridor. Although discussed but not finalized at the time, the State informally acknowledged that the City had prior easement and access rights for and to the then existing facility and that those rights should be transferred to the relocated facility. Joint Use Agreement, Document No. 15169, confirms the continued right to the City to locate and maintain the relocated facility within the State's right-of-way. The agreement further stipulates that the entire cost of any future relocation of the facility, if necessitated by any future rearrangement or reconstruction of the freeway, will be borne by the State.

Waiving Council Policy 300-07, Consultant Services
Selection, in connection with improvements at the Balboa
Park Rose Garden; authorizing the execution of an agreement
with Garner Perdue Associates for professional services

required for Balboa Park Rose Garden improvements, together
with any necessary modifications or amendments which do not
increase the project scope or cost and which the City
Manager shall deem necessary in order to carry out the
purposes and intent of the project and agreement;
authorizing the City Manager to add CIP-21-838.0, Balboa
Park Rose Garden - Improvements, to the Fiscal Year 1990
Capital Improvement Program; authorizing the City Auditor
and Comptroller to transfer an amount not to exceed \$24,030
from CIP-21-834.0, Balboa Park Requirements, Transient
Occupancy Tax Unappropriated Reserve - Balboa Park
Improvements, Fund No. 102242, to CIP-21-838.0, Balboa Park
Rose Garden - Improvements; authorizing the expenditure of
an amount not to exceed \$24,030 from CIP-21-838.0, Balboa

Park Rose Garden - Improvements, for the purpose of providing funds for the above project.

(Balboa Park Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The proposed agreement with Garner Perdue Associates, will provide the professional services required to prepare the construction documents for the Balboa Park Rose Garden - Improvements project. The project will complete the east side of the rose garden and will include retaining walls, an overhead trellis, sidewalks, an automatic irrigation system and slope landscaping. This consultant designed the existing rose garden improvements and is therefore uniquely qualified for this project. Waiver of Council Policy 300-07 is requested.

from the Unallocated Reserve (70679) to the Water Construction Program (70592), Alvarado Filtration Plant Joint Laboratory Facility, CIP-73-257; authorizing the expenditure of an amount not to exceed \$11,400 from the Sewerage Utility Revenue Fund (41506) Alvarado Filtration Plant - Joint Laboratory Facility, CIP-46-124; and \$7,600 from the Water Revenue Fund (41502) Alvarado Filtration Plant - Joint Laboratory Facility, CIP-73-258; and \$11,400 from the Sewerage Utility Revenue Fund (41506) Alvarado Filtration Plant - Training Facility, CIP-46-123; and \$7,600 from the Water Revenue Fund (41502) Alvarado Filtration Plant - Training Facility, CIP-73-257, for the purpose of providing funds for the above project.
(Navajo Community Area. District-7.)

CITY MANAGER SUPPORTING INFORMATION: In accordance with the January 11, 1989 memorandum from the City Manager regarding building permits for City-owned buildings, Phase II - Structure Construction of the Joint Laboratory Facility and Training Facility will be field inspected by the Building Inspection Department. The Phase I - Site Grading required field engineering observation by a certified geotechnical engineer. The annual geotechnical engineer for the Water Utilities Department, Woodward-Clyde Consultants, was contracted to perform the work. Due to the scope of work that was required, the cost of their service exceeded the annual consultant agreement limit. Therefore, Council action is requested. The services performed by Woodward-Clyde Consultants will fulfill the Building Inspection requirements only.

* ITEM-115: (R-90-1024) ADOPTED AS RESOLUTION R-274987

Approving Change Order No. 2, dated November 9, 1989,
issued in connection with the contract with L.R. Hubbard
Construction Co., Inc., for the Newport Avenue Public
Improvement Project amounting to a net increase in the
contract price of \$35,583.07.

(Ocean Beach Community Area. District-2.)

CITY MANAGER SUPPORTING INFORMATION: This change order
relates to the contract for the public improvements within the
Newport Avenue commercial district of Ocean Beach. The project
includes the three-block area bounded by Abbott Street, Santa
Monica and Niagara Avenues and Sunset Cliffs Boulevard. The
public improvements are part of a commercial revitalization
program for the area and include sidewalk and curb replacement,
installation of street lights, electrical and irrigation
systems, landscaping, and decorative tile placement. The
original construction contract amount was \$988,276.82. This
change order for \$35,583.07, combined with an earlier contract
reduction of \$47,560, will result in an adjusted contract amount
of \$976,299.89. The change primarily reflects substitution of
street light poles different from those anticipated in the
original design as well as additional sidewalk, curb, and
pedestrian ramp replacement agreed to by the community. These
costs were partially offset by other project savings resulting
in an adjusted contract total which is still within the original
contract amount of \$988,276.82.

ITEM-200: (R-90-817) CONTINUED TO JANUARY 22, 1990

(Continued from the meeting of December 11, 1989, Item 105,
at Deputy Mayor Wolfsheimer's request, for additional
background information.)

Authorizing the execution of a deed conveying to Whispering
Palms Community Service District an easement for sewer
pipelines, mains, manholes, sewer lateral pipelines and
right-of-way, in a portion of Lot 2 of Fairbanks Country
Club Unit No. 1, Map-10730.

(Fairbanks Ranch Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The Whispering Palms
Community Service District is now converting its area from
septic tank systems to municipal sewer hook-up and requires a
sewer easement over City-owned land in order to connect to the
Metropolitan Sewer System. The portion of the Fairbanks Ranch
Country Club sought is an easement 20 feet wide and 247.54 feet
long containing 4,950 square feet. This portion of the Country
Club is actually roadside setback, moderately sloping, and is
considered excess property which doesn't contribute to its
highest and best use of the adjacent property as developed. The
Fairbanks Ranch Golf Course, which is the lessee of this
property, is very much in favor of this action as it will
alleviate a leaching problem that now effects the golf course
operations and maintenance.

ITEM-330: (R-90-891) CONTINUED TO JANUARY 23, 1990

A proposal to approve an amendment to the San Diego Association of Governments (SANDAG) Joint Powers Agreement (JPA) establishing SANDAG as the Regional Planning and Growth Management Review Board proposed in Proposition C. Adoption of a Resolution approving the amendment to the agreement.

CITY MANAGER SUPPORTING INFORMATION: In November 1988, the voters approved Proposition C, an advisory measure proposing establishment of a Regional Planning and Growth Management Review Board. The issues listed by the measure to be addressed by the Board are: quality of life standards and objectives; holding capacities; growth rate policies; growth phasing; regional land use distribution; growth monitoring; open space preservation; significant regional arterials; transportation system management; transportation demand management; siting and financing regional facilities; consistency of regional and local plans; and regional growth management strategy. As proposed by Proposition C, a Blue Ribbon Committee was established consisting of representatives of the cities and the County, and formulated its recommendation which would be carried out by this Amendment to the SANDAG Joint Powers Agreement (JPA). On September 12, 1989 the Council approved in concept establishment of the Regional Planning and Growth Management Review Board as envisioned by Proposition C, through amendment to the existing SANDAG JPA.

ITEM-331: CONTINUED TO JANUARY 23, 1990

1) Matter of rezoning a total of 6.87-acres of property in conformance with the Southeast San Diego Community Plan land use designations. (C-Sheets: C-732E.2, C-732G.1, C-732I.1, and C-732O.1)

a) Rezoning an Encanto site from Zone R1-6000 to Zone SF-6000. The subject property is generally located south of an unnamed street, west and north of Imperial Avenue, east of 69th Street, and is further described as the Toler Addition to Encanto Heights Amended Record of Survey No. 4763, Lots 1-15, Map-1403.

b) Rezoning a Lincoln Park site from Zone CSF-1 and MF-2500 to Zone CSR-1. The subject property is generally located at the northwest and southeast corners of 47th Street and Imperial Avenue, and is further described as Lemon Garden Acres, Lots 53 through 57 and a portion of Lot 46, Map-1390, and Alta Vista Suburb Tract No. 2, a portion of Lot 1 and Lots 2 through 8, Map-1029.

c) Rezoning a Memorial neighborhood site from Zone CSR-2 and MF-3000 to Zone I-1 (light industrial zone).

The subject property zoned CSR-2 is generally located between 32nd and 33rd Streets, north of National Avenue to the alley and south of National Avenue to the alley and is further described as Seaman and Choates Addition, Lots 17 through 20, Block 309, and Lots 29 through 32, Block 287, Map-223.

The subject property zoned MF-3000 is generally located between 32nd and 33rd Streets, north of Newton Avenue to

the alley and south of Newton Avenue to the I-5 right-of-way, and is further described as Seaman and Choates Addition, Lots 17 through 20, Block 287, and Lots 29 through 32, Block 288, Map-223; and

d) Rezoning a Southcrest site from Zone MF-1500 to Zone MF-2500. The subject property is generally located south of Logan Avenue and west of 45th Street, and is further described as Caruther's Addition, portion of Lot 3, Map-27.
2) Incorporating the Sherman Heights Historic District into the Southeast San Diego Planned District Ordinance and rescinding the Sherman Heights Historic District Ordinance. Amending the Sherman Heights Historic District Design

Criteria and Guidelines, Ordinance No. 00-16892-2 to become the Sherman Heights and Grant Hill Park Historic District Guidelines and Criteria.

3) Revising the Southeast San Diego Planned District Ordinance, amending Divisions 17 and 18, Sections 103.1700 through 103.1707 and 103.1800 through 103.1809 of the San Diego Municipal Code.

The Southeast San Diego area encompasses approximately 7,100 acres and is located south of State Highway 94, east of I-5, north of National City and Plaza Boulevard and west of Woodman and 69th Streets. The proposed revisions are in conformance with the adopted Southeast San Diego Community Plan.

(Districts-3, 4 and 8.)

ITEM-333: (R-90-694) REFERRED TO T&LU COMMITTEE

Authorizing the Planning Director to implement the environmental report preparation procedures outlined in Planning Department Report PDR-89-495. These procedures generally provide for:

1. The establishment of a List of Qualified Environmental Consultants who would be responsible for the preparation of environmental reports;
2. The utilization of a Three-Party Agreement involving the City, the consultant, and the project applicant,

wherein the consultant agrees to provide services pursuant to the direction of Planning Department Environmental Analysis Section staff and operate independently of the applicant. The applicant would agree to retain the services of a consultant from the City's list of qualified consultants and allow the consultant to independently prepare the environmental report.

ITEM-334: (R-90-370) ADOPTED AS RESOLUTION R-274998

(Continued from the meeting of November 14, 1989, Item 337, at the City Manager's request, for proper noticing.)

Matter of a proposal to adopt:

- 1) The addition of an Urban Design Element to the existing University Community Plan. The purpose of the Urban Design Element is to establish design guidelines for new development and public street improvements, and to enhance pedestrian circulation in the central community;
- 2) Minor revisions to the Community Plan text; and
- 3) Modifications to the 1987 community plan required by the Coastal Commission. (A portion of the University Community is within the coastal zone.)

The University Community Plan is bounded by Los Penasquitos Lagoon and the toe of the east facing slopes of Sorrento Valley on the North; the tracks of the Atchison, Topeka and Santa Fe Railroad, NAS Miramar and I-805 on the east; State Route 52 on the south; and I-5, Gilman Drive, North Torrey

Pines Road, La Jolla Farms, and the Pacific Ocean on the west.

The Environmental Quality Division has determined that the project is exempt from the California Environmental Quality Act (CEQA) pursuant to Section 15061 (b)(3) of the State CEQA Guidelines.

The proposed plan additions and revisions also constitute an amendment to the City of San Diego's Local Coastal Program (LCP). If adopted by the City the proposed LCP amendment must be submitted to the California Coastal Commission for review and certification. The LCP amendment would not become effective until after approval by the California Coastal Commission.

(District-1.)

Adoption of a Resolution adopting an amendment to the University Community Plan and an amendment to the North City Local Coastal Program Land Use Plan (of which University Community Plan is a part), and authorizing and directing the Planning Director to transmit this Local

Coastal Program amendment to the California Coastal Commission for its final and effective certification.

ITEM-335: CONTINUED TO FEBRUARY 20, 1990

(Continued from the meetings of November 13, 1989, Item 201 and December 4, 1989, Item 200; last continued at the City Manager's request, to complete the Section 106 process with the State.)

Consideration of a Coastal Development Permit to allow the demolition of six buildings totaling 39,602 square feet,

and varying in height from one story to three stories, and known as the Savage Tire Factory/Aztec Brewery buildings. The subject property totals 4.2 acres, and is located on the City blocks bounded by Sampson Street, Main Street, Schley Street and Harbor Drive and is described as Lots 25-48, Blocks 78 and 79, Map-379, San Diego Land and Town Company's Addition. The Area "D" zoned site is within the Barrio Logan Planned District and the Barrio Logan Community Plan area.

Three actions relative to the acceptance and subsequent disposition of Aztec Brewery Murals/Artwork Ensemble: (See City Manager Report CMR-89-513. Barrio Logan Community Area. District-8.)

Subitem-A: (R-90-741)

Authorizing the City Manager to execute an agreement with Northern Automotive Corporation to accept the donation from Northern Automotive Corporation of the Aztec Brewery murals/artwork ensemble; thanking Northern Automotive Corporation for donating the murals/artwork ensemble to the City and acknowledging Northern Automotive Corporation's civic generosity in making the murals/artwork ensemble available for the viewing and enjoyment of the public.

Subitem-B: (R-90-742)

Authorizing the City Manager to execute a Loan for Use Agreement with Luis E. Garcia, Inc. for the purpose of temporarily placing the murals/artwork ensemble in Chuey's Restaurant for public display and storage until a permanent site can be arranged; thanking Luis E. Garcia, Inc. for making a location available to the public for the display

and storage of the murals/artwork ensemble until a permanent location can be arranged.

Subitem-C: (R-90-743)

Declaring the City Council's intent to provide a permanent site for the murals/artwork ensemble, according to the following criteria:

1. That, assuming that the Mercado del Barrio project is implemented under the California Community Redevelopment Law, and that the project includes a Cultural Center, then the Cultural Center shall receive the murals/artwork ensemble, and shall incorporate them in an area which

replicates the interior of the Aztec Brewery Rathskeller;

2. That, in the event that the Mercado del Barrio project cannot be implemented, the City Council shall take all necessary steps to see that the murals/artwork ensemble will be placed in a site which is accessible to the public, which will assure its reservation, and which will be located in the Barrio Logan community in a facility which replicates the interior of the Aztec Brewery Rathskeller as closely as possible. In such event, the City shall consult with representatives of the Barrio Logan community to establish a site that best fulfills the interests of that community;

3. That, regardless of where and how sited, the murals/artwork ensemble shall remain intact as an ensemble and, when permanently sited, shall be available for public viewing at regular and reasonable hours, with an admission fee that is no greater than necessary to cover reasonable administrative costs shall be prominently placed at the site a plaque identifying the murals/artwork ensemble as historic, identifying the murals of Jose Moya del Pino, and describing the artistic, cultural, and historic significance of the murals/artwork ensemble and the Aztec Brewery buildings; and

4. That, when permanently sited, the City shall take particular care to assure the preservation of the murals/artwork ensemble in reference to ventilation, lighting, heating, and any other relevant factors.

* ITEM-S400: (R-90-1073) ADOPTED AS RESOLUTION R-274988

Authorizing the expenditure of an amount not to exceed \$835,000 from Sewer Revenue Fund 41506 (CIP-46-154.0) for the acquisition of property and related costs for the South Bay Land Outfall Project.

(Tijuana River Valley Community Area. District-8.)

CITY MANAGER SUPPORTING INFORMATION: The problem of transborder sewage flows from Tijuana has impacted the San Diego area for over 50 years. A solution to this problem is now being undertaken by the International Boundary and Water Commission (IBWC). This solution consists of a new international sewage treatment plant with associated land and ocean outfalls for disposal. Concurrently, the Clean Water Program (CWP) is planning for sewerage facilities to handle San Diego sewage flows in the South Bay. Since the IBWC and the CWP plans both propose facilities in the same location, the opportunity has

arisen for sharing of capacity and costs in the land and ocean outfall disposal system. The South Bay Land Outfall (SBLO) is the first phase in this coordinated effort for effluent disposal. This requested action will provide for the acquisition of a 60-foot-wide right-of-way, 12,000 feet in length, over 12 privately owned parcels of land for the construction of the SBLO.

Subitem-B: (R-90-1063) ADOPTED AS RESOLUTION R-274990

Authorizing the execution of an agreement with Carmel Valley Partners I for the purpose of providing half-width improvements to Carmel Valley Road.

CITY MANAGER SUPPORTING INFORMATION: The Council Resolution approving the Tentative Map for the proposed Carmel Del Mar Hotel at the northeast corner of Carmel Valley Road and El Camino Real requires the developer to dedicate additional right-of-way and improve the north half of Carmel Valley Road. Recognizing that Carmel Valley Road is proposed to become a freeway, the resolution also allows the developer to defer the

improvements up to six years if they execute a bonded agreement assuring the completion of the improvements or their financial participation if the improvements are made by CalTrans. The developer has executed the agreement and posted a bond in the amount of \$101,024 to assure their commitment.

information from staff regarding tonnage of trucks.)
Prohibiting commercial vehicles with a gross vehicle weight
rating over 10,000 pounds, from operating on Lomica Drive
between Bernardo Center Drive and Gabarda Road, pursuant to
California Vehicle Code Section 35700 et seq.; authorizing
the installation of the necessary signs and markings;
declaring that the hereinabove imposed regulations shall
become effective upon the installation of such signs.
(Rancho Bernardo Community Area. District-1.)

CITY MANAGER SUPPORTING INFORMATION: The proposed 5-ton truck
load limit on Lomica Drive between Bernardo Center Drive and
Gabarda Road was requested by the residents that live in the
surrounding area. Investigation of the location revealed that
considerable number of trucks use Lomica Drive as a shortcut to
and from Bernardo Center Drive on the west end and Pomerado Road
on the east. Lomica Drive is located within a residential
neighborhood. Rancho Bernardo Road which is parallel to Lomica
Drive is a four-lane major road designed to handle truck traffic
and should be used as an alternate route. Staff recommends
implementation of the requested truck load limit at the above
location.

O-17414 (New Series)

(Continued from the meeting of January 9, 1990, Item 330, at the City Attorney's request, so that the revisions can be made to the ordinance.)

Consideration of an Emergency Ordinance which would prevent public hearings and the issuance of development and building permits within a portion of the Otay Mesa Community Plan area. Emergency Ordinance O-17186, enacted November 21, 1988 prevented hearings for development applications within a portion of Otay Mesa for one year to preserve Otay Mesa for consideration as a potential future site of a regional commercial airport. The City Council has since authorized the San Diego Association of Governments to conduct an additional analysis of Brown Field as a potential component of a multi-airport system and wishes to protect that option until this analysis is completed. The subject of this hearing will be a proposal to impose a moratorium on public hearings, development permits and building permits for a period of ninety (90) days to allow SANDAG to complete their analysis.

ITEM-S408: (R-90-1075) ADOPTED AS RESOLUTION R-275000

Directing the City Attorney to prepare, for City Council consideration, an emergency ordinance imposing a prohibition on the issuance of residential building permits in the County Island area of the Scripps Ranch Community until highways, schools, and an adequate water supply system have been assured to serve the area pursuant to

Municipal Code section 91.01; directing the City Manager and Planning Director to prepare a report on the status of the enumerated facilities and the impacts to be expected from residential development in the County Island area if the enumerated facilities are not developed concurrently with the residential development of the County Island area. (Scripps Miramar Ranch and Miramar Ranch North Community Area. District-5.)

SUPPORTING INFORMATION: The Scripps Miramar Ranch Planning Group recently passed Resolution 16-1, asking the City to deny the issuance of building permits for County Island Projects, due to the concerns about inadequate facilities pursuant to the postponement of the Miramar Ranch North project. The traffic volume on Pomerado Road is currently almost three times the design capacity of the roadway. Requested is a denial of issuance of building permits and a halt to the processing and issuance of all development maps in the Scripps Miramar-Ranch and Miramar Ranch North planning areas until the inadequacies in the infrastructure for the area can be addressed.
